

WISCAT Searching

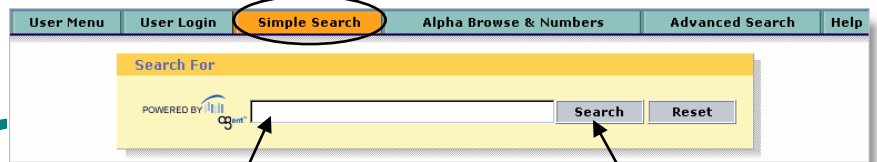

WISCAT is a catalog of material in over 1200 Wisconsin public, academic, school and special libraries

Access **WISCAT** on your library's website, on BadgerLink (www.badgerlink.net), or go to www.wiscat.net

Click **BEGIN**

Search Method is highlighted on toolbar;
click on another method to switch

Enter search terms into
SEARCH FOR box

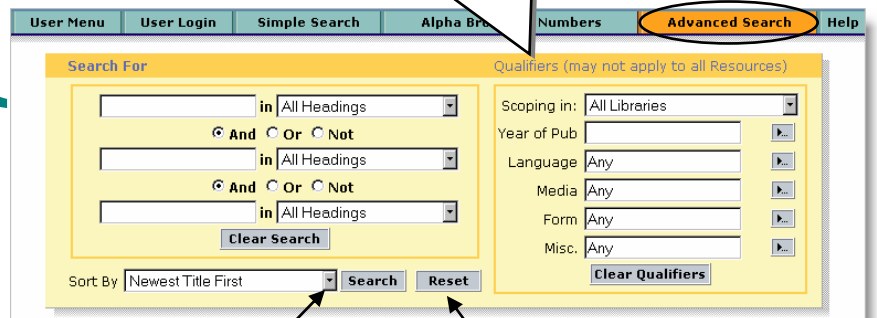

Click **SEARCH** to submit
search terms *or* press ENTER

Use **Simple Search** or
Advanced Search
to search by
KEYWORD

ADVANCED SEARCH
allows use of
QUALIFIERS to fine
tune or narrow a search

For example: *hat cat suess*

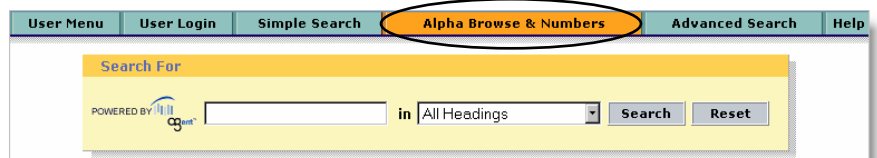

WISCAT looks for “**hat**” and “**cat**”
and “**suess**” as words anywhere in
Title, Subject, Author or **Notes**

Click on down arrows
to view a **menu**

RESET erases search terms and
restores all *default* settings
(Search In, Sort By, and Qualifiers)

Use **Alpha Browse & Numbers**
to search
CHARACTER
by **CHARACTER**

A search term is read as a string of
characters from **left to right**

For example: *car e*

WISCAT looks for “**c**” “**a**” “**r**” “**space**” “**e**”

Car Economy Guide
Car Electrical Handbook
Car Electronics

ALPHA BROWSE & NUMBERS
is useful when you know the beginning of
the title or of the author's last name
